These conditions are only applicable when booking a purely domestic Australian itinerary:

- \* Denotes additional characters in the fare basis code which are market specific. Consult your GDS for further details.
- <sup>^</sup> Change fees (whether for flights or name) are applied per passenger per ticket at the time of rebooking. Where a flight or Name Change fee applies, the fee charged is the Change Fee applicable at the date the original ticket was issued or for subsequent reissues, the fee applicable at the date of the last reissue. After re-booking, the reissue of the ticket must be completed no later than 1 day following the change. Where a Change Fee applies in accordance with a ticketed fare, it must be receipted separately from the ticket using EMD-S. The EMD-S must be raised at the time of reissue and cross referenced to the new ticket number.  
Note: No Change or Cancellation Fees apply unless indicated. However, service fees apply to changes made through Qantas Contact Centres, Qantas airport locations and some Travel Agents.
- # Ticket Credit: The unused value of the ticket may be used as credit towards a new ticket anywhere on the Qantas (QF) network for travel within 12 months of the original date of ticket issue provided the new fare value is of equal or higher value; unless the fare value has been invalidated by no-show or the ticket validity period has expired.
- @ Fare difference: If the Base Fare and/or Ticket Taxes have increased, the ticket must be reissued reflecting the additional Base Fare and/or Ticket Taxes with the Change Fee (if applicable) receipted separately from the ticket using EMD-S. Ticket Taxes mean all taxes, fees, levies and charges that are payable by the purchaser of an airline ticket, including amounts imposed by airports and taxing authorities and airline imposed charges such as fuel, insurance and environmental surcharges.
- ~ Name change: The value of an unused ticket may, at the request of the passenger named on the ticket, be used as credit towards payment for a new ticket in another person's name. The original booking is cancelled at the request of the passenger named on the ticket and flights for the new passenger must be booked in a new PNR from available inventory. This policy does not allow passengers to hold the original inventory seat. The original issuing office is the only office with the authority to reissue the ticket. Refer to Domestic Retail Name Change Clue Card for further information and conditions.
- 6 No Show: Qantas defines "No-Show" as a passenger: (a) not having checked in for the relevant sector shown on their booking by 30 minutes before scheduled flight departure time, without prior notification to the airline of a change or cancellation of that sector in accordance with the applicable fare conditions; or (b) having checked in for the relevant sector shown on their booking, but who fails to board the aircraft by the closure of boarding. Where a passenger has no-showed, the coupon for the relevant sector is rendered void and no longer valid for travel or exchange.
- ∞ Members of the Qantas Frequent Flyer program can earn and redeem Qantas Points. Membership and points are subject to the terms and conditions of the Qantas Frequent Flyer program available at [qantas.com/terms](http://qantas.com/terms)
- \*\* The Minimum Points Guarantee will apply to the Qantas Frequent Flyer Categories when your Qantas Points add up to fewer than 800 for a Discount Economy one-way flight, 1,200 for a Flexible Economy one-way flight or 1,400 for a Business or Flexible Business one-way flight after any applicable Status Bonuses and/or any promotional Qantas Points have been included. Applies only where a Qantas Frequent Flyer member is eligible to earn Qantas Points for paid travel on an eligible flight with a QF flight number on the ticket.
- ## Status Credits are separate from Qantas Points; however, like Qantas Points, they are earned on a zonal earn framework fixed amount depending on the fare paid and the route travelled. Members move up to the next membership level (Silver, Gold, Platinum or Platinum One) by earning Status Credits for flying on eligible Qantas and selected partner airlines. Note that to attain tier status, the member must earn on a minimum of four Eligible Flight Segments with a QF or JQ flight number. For more information, visit [qantas.com/statuscredits](http://qantas.com/statuscredits)
- ^^ To request a Domestic Flight Upgrade Award using Qantas Points, you need to have an eligible confirmed Qantas domestic ticket, which may be a Qantas 6 Jetstar Any Seat Award, on a Qantas operated flight with a QF flight number. Upgrades are subject to availability at time of request and may be requested between 353 days and 24 hours in advance of departure. On Departure Upgrades using Qantas Points are available on eligible flights for eligible members at Domestic Qantas Club Lounges up to a maximum of 3 hours, but no less than 20 minutes before flight scheduled departure. For more information visit [qantas.com/flightupgrades](http://qantas.com/flightupgrades). Flight Upgrade Awards are not available on Qantas 6 Partner Classic Award Flights or QantasLink regional flights.
- † Benefits based on travel class only.
