2. A business must be a Qantas Business Rewards Member to earn Qantas Points for business. Membership and the earning of Qantas Points as a business are subject to the [Qantas Business Rewards Terms and Conditions](#). Points are earned in accordance with and subject to the [American Express Qantas Business Rewards Card Points Terms and Conditions](#). Your business will earn 1.25 Qantas Points per \$1 of everyday spend, which does not include annual fees, late payment fee and fees and charges for foreign currencies. Your business will earn 0.5 Qantas Points per \$1 spent at participating merchants classified as "utilities" including gas, water and electricity providers; "government" including the Australian Taxation Office, the Australian Postal Corporation, federal/state and local government bodies; and "insurance" excluding insurances offered by American Express. Industry specific earn rate may apply when you use a payment account, payment aggregator, services of a third party or online retailers that sell goods for another merchant. For example a payment made to Local Government bodies processed through a payment aggregator may earn rates at the government earn rate. Your business will earn 2 Qantas Points per \$1 spent on the following Qantas Products and Services purchased on the Qantas merchant account (i.e. directly from Qantas): Qantas passenger flights (with a QF flight number), Qantas Holidays, Qantas Branded non-airfare products, and Qantas Frequent Flyer and Qantas Club membership joining and annual fees. Excludes Jetstar. For the full list of exclusions, please refer to the [American Express Qantas Business Rewards Card Points Terms and Conditions](#).

*From 10 January 2024, once you have earned a total of 500,000 Qantas Points on your Card Account in a calendar year, your earn rate of 1.25 Qantas Points per \$1 spent will change to 0.75 Qantas Points per \$1 spent on everyday business purchases. All other earn rates (Qantas products, services and government, utilities and insurances spend) will remain unchanged. The points threshold is based on eligible Qantas Points earned during a calendar year and will be reset on 1 January each year. Qantas Points earned by all Card Members on a Card Account contribute to the 500,000 points threshold each calendar year. Bonus points earned from Acquisition bonus offers and marketing campaigns are excluded from the threshold.

3. Unless we tell you otherwise, your American Express Charge card comes with flexible spending power, also known as no-pre-set spending limit. This means that the amount you can spend is dynamic and can adapt based on your transaction patterns, your business' credit rating and other factors. The way you use your Card can help your spending power grow, particularly in the first few months. To help maximise your spending power, you can make regular transactions and don't miss any payments.
